Subject: opposed to revised proposed final judgement

I am opposed to the revised proposed Final Judgement dated 2001/11/06. I have been a professional software developer for 13 years, and I see many problems with the proposed settlement. It will do much too little to prevent Microsoft from engaging in the same types of damaging behavior that resulted in its illegal monopoly. It fails to punish Microsoft for its past behavior. Its term is too brief. The enforcement provisions grant too much power to Microsoft, and fail to specify penalties for noncompliance.

Please withdraw your consent to the revised proposed Final Judgement.

Very Truly Yours,
